Folding Carton Substrate ‘Quick Ship Program’ Speeds Delivery
Stock sheets standing by to move your order out the door immediately.

Menasha, Wis. (March 16, 2015) – Dura-Fibre introduces Quick Ship Program for their folding carton materials. Orders placed for folding carton stock sheets will be processed and shipped within 24 hours. Dura-Fibre offers the same high quality [folding carton substrates](#) as always, but ready to quick ship in stocked sizes.

“Lead times are critical in this market and our Quick Ship Program was created with this in mind. This program allows our customers to get their product as quickly as possible and at the exact quantity desired,” said Luke Benrud, General Manager.

Quick Ship Details:

- Applies to standard folding carton stock 28x40 feet*
- Partial pallets, any order quantity you need, down to 1,000 sheets
- Orders ship within 24 hours
- Program begins March 16

Customers with questions or looking to place an order, please contact Lisa Ward at 920.969.3604 or lward@durafibre.com.

**Custom sheet sizes are available in any grade as always, but normal 4 days lead will apply.*
